

GUIDELINES, OPENING HOURS AND RATES

Concept (short version)

Spielatelier Farbtupf is an early childhood educational centre which offers a mixed-age group with emphasis on creative activities and play. There is enough space for a maximum of 12 children from 6 months to kindergarten age. English-speaking children can also be cared for in English as part of an integration phase.

It has own playground where children enjoy the fresh air and can play - football, sand pile, lawn, slide, run, playhouse, bobby cars, tractors, plastic motorbikes, etc. Including to our activities is the opportunity to take the children to a nearby forest and let them experience and enjoy the beauty of nature.

Play is the central form of activity in the child's life. They learn to set their own goals and limits and develop a high degree of self-activity. Playing and creative activities support the child's learning and personal development. In our concept, participation in early childhood is fostered so that the children feel that their interests are heard, and their opinions count. It also promotes their self-confidence.

In Spielatelier Farbtupf, the needs of the children are taken seriously through respectful and loving care. We trust in the children's own powers of growth and inner motivation. The child should be able to unfold with us according to his or her inner development plan, potential and at his or her own pace. It should be able to develop its abilities and skills independently and with joy.

We at Spielatelier Farbtupf wish that the relationship with the parents is characterized by mutual respect. Regular discussions, events and visits are the foundation for a cooperative partnership.

Company holidays

The Spielatelier Farbtupf is closed on public holidays (Kt. Zug), 2 weeks at Christmas - New year and one week from the last weekend in July or in the 1st week of August. The Spielatelier Farbtupf can remain closed for up to 3 days per year, e.g., as a day between two public holidays ("bridge") or as "plant closure", e.g., if we can no longer maintain operations due to illness. The company holidays are included in the monthly flat rates.

General:

- Entry is possible at any time if there is a free seat available.
- At least two full-days or two half-days childcare sessions per week so that the child feels at home as soon as he or she arrives at the Spielatelier Farbtupf and can immediately benefit from the developmental offers.

Guidelines

Registration

Send us the completed and signed registration form by post or scanned and sent by email. You can find the form (PDF) on our website <http://www.spielatelier-farbtupf.ch>

Settling in

The child is slowly introduced to the daily routine with the company of a parent. The settling-in period is central to the later well-being of the child and usually takes place in the month before the contractual starting date. The individual design of the settling-in period is determined at the entrance interview. Since the children can only come by the hour at the beginning, the settling-in period is charged separately at 25.00 per hour or part thereof. Regardless of the individual duration of the settling-in period, the full monthly fees must be paid from the contractual entry date.

Insurance

The child must have health, accident and liability insurance (responsibility of the parents).

Termination

The cancellation period is 3 months to the end of the month. This also applies in case there is a reduction of the childcare or in case of a termination before the entry date. In these cases, the monthly fee remains due. Cancellation must be made in writing and is possible on the following cancellation dates: October, December, February, March, April, May, July, August. The contract ends at the latest when the child enters kindergarten (school for module D) at the end of this month (usually August).

Extraordinary termination

Spielatelier Farbtupf reserves the right to terminate the contract in the following cases:

1. In cases in which the relationship of trust is seriously disturbed (between caregivers and parent or child).
2. If the monthly fees or the registration fee are not paid immediately after the second reminder.

3. If a serious situation arises, such as highly conspicuous behavior, illness or the like, which makes it very difficult or impossible for Spielatelier Farbtupf to care for the child in the normal course of activities.

The extraordinary notice of termination will only be given after an oral or written, registered warning with a two-week notice period.

Absence

If a child is unable to visit the Spielatelier Farbtupf, we ask you to inform one of the child-minder or teachers by telephone or SMS as early as possible, but at least 1 day in advance, if your child is foreseeably absent. Holiday absences must be notified as early as possible, but at least 1 week in advance. In the event of absences (e.g., holidays, illness, accident) no contributions will be refunded. Compensation on other days or exchanges is not possible.

Sick child

Sick and infectious children may not be brought in Spielatelier Farbtupf. If a child falls ill during his or her stay at Spielatelier Farbtupf, parents will be informed immediately so that they can pick up the child and to be care at home.

In the event of an emergency, Spielatelier Farbtupf is authorized to give the child immediate medical treatment (according to the emergency concept) or hospital care. In the event of an accident or emergency, all expenses (taxi, ambulance, emergency doctor, etc.) are paid for by the parents.

Any allergies, intolerances and other sensitivities should be communicated to us before admission (see registration form) so that we can discuss them at the latest at the admission interview, especially if we are to take them into account in the care of the child.

Handover

We attach great importance to the fact that the first half hour and the last quarter of an hour are kept as bring- or pickup time. In case of late pick-up, we charge the hourly rate for each hour or part thereof.

Bring along

Each time the children come, must have to bring their own "Finkli" house shoes in Spielatelier Farbtupf. We like to tinker, paint, knead and paste without having to be afraid of beautiful clothes. The parents must bring diapers as well as care products (e.g., cream, lotion, powder) for the child. Baby wipes is provided.

Snacks (Zvieri / Znüni)

We serve healthy snacks and therefore the children must not bring anything from home, not even sweets. Exception - only if the child has a special food due to allergies or Vegans.

The Spielatelier Farbtupf is happy to give your child a second home with security in a familiar atmosphere and a happy childhood.
